82. Decision of Arbitrator to be final in certain matters.— (1) Where no appeal has been made under section 74, the decisions of the Arbitrator under clauses (iv) to (xi) and clauses (xiv), (xv) and (xvi) of sub-section (3) of section 72 shall be final and binding on the parties.

(2) The State Government may, if satisfied that it is urgently necessary in the public interest to empower the Planning Authority to enter on such land for the purpose of executing any of such works, direct the Arbitrator, by notification in the *Official Gazette*, to take possession of the land, or may, after recording its reasons refuse to make any such direction:

Provided that, no such direction shall be made without the Arbitrator giving a hearing to any person or Planning Authority affected by such direction, and considering the report of the Arbitrator in that behalf.

(3) The Arbitrator shall then give a notice in the prescribed manner to the person interested in the land the possession of which is to be taken by Arbitrator requiring him to give possession of his land to the Arbitrator or any person authorised by him in this behalf within a period of one month from the date of service of notice; and if no possession is delivered within the period specified in the notice, the Arbitrator shall take possession of the land and shall handover the land to the Planning Authority. Such land shall thereupon, notwithstanding anything contained in this Act, vest absolutely in the Planning Authority free from all encumbrances.

84. Commissioner of Police or Magistrate to enforce delivery of possession of land.— (1) If the Arbitrator is opposed or impeded in taking possession of the land under section 83, he shall request the Commissioner of Police, or as the case may be, the District Magistrate to enforce the delivery of possession of the land to the Arbitrator. The Commissioner or the District Magistrate, as the case may be, shall take or cause to be taken such steps and use or cause to be used such force as may be reasonably necessary for securing the delivery of possession of the land to the Arbitrator.

85. Owner of land of which possession is taken entitled to interest.— (1) Where possession of land is taken by the Arbitrator under section 83 or 84, the person interested in such land shall be entitled to interest at the rate of 4 per cent. per annum on the amount of compensation payable to him under the final scheme in respect of the said land from the date on which such possession is taken till the date on which amount of compensation is paid to him by the Planning Authority.

(b) in the case of the final scheme, within a period of three months from the date of its receipt,

87. Withdrawal of scheme.— (1) If at any time before the ¹[preliminary scheme] is forwarded by the Arbitrator to the State Government, a representation is made to the Arbitrator by the Planning Authority and a majority of the owners in the area that the scheme should be withdrawn, the Arbitrator shall, after inviting from all persons interested in the scheme objections to such representation, forward such representation together with the objections, if any, to the State Government.

(2) After making such inquiry as it may think fit, the State Government may, by notification in the *Official Gazette*, direct that the scheme shall be withdrawn; and upon such withdrawal, no further proceedings shall be taken in regard to such scheme.

88. Effect of ²[preliminary scheme].— On and after the day on which a ³[preliminary scheme] comes into force—

(2) If the Planning Authority is opposed or impeded in evicting such person or taking possession of the land from such person, the Commissioner of Police, or as the case may be, the District Magistrate shall at the request of the Planning Authority enforce the eviction of such person or secure delivery of possession of the land to the Planning Authority as may be necessary.

90. Power to enforce scheme.— (1) On and after the day on which a ⁷[preliminary scheme] comes into force, the Planning Authority may, after giving the prescribed notice and in accordance with the provisions of the scheme,—

(d) *Variation of Schemes.*

91. Power to vary scheme on ground of error, irregularity or informality.— (1) If after the final scheme has come into force, the Planning Authority considers that the scheme is defective on account of an error, irregularity or informality or that the scheme needs variation or modification of a minor nature, the Planning Authority may apply in writing to the State Government for variation of the scheme.

(2) If, on receiving such application or otherwise, the State Government is satisfied that the variation required is not substantial, the State Government shall, by notification in the *Official Gazette*, authorise or direct the Planning Authority to prepare ²[a draft of such variation and publish a notice in the *Official Gazette*, and in such other manner as may be prescribed stating that a draft variation has been prepared].

(3) ³[The notice of preparation of draft variation published] under sub-section (2) shall state every amendment proposed to be made in the scheme, and if any such amendment relates to a matter specified in any of the sub-clauses (i) to (ii) of clause (b) of section 59, the draft variation shall also contain such other particulars as may be prescribed.

(4) The draft variation shall be open to the inspection of the public at the office of the Planning Authority during office hours ⁴[and copies of such draft variation or any extract therefrom certified to be correct shall be available for sale to the public at a reasonable price.]

(5) Not later than one month of the date of the ⁵[publication of the notice regarding preparation of draft variation], any person affected thereby may communicate in writing his objections to such variation to the State Government, and send a copy thereof to the Planning Authority.

(6) After receiving the objections under sub-section (5), the State Government may, after consulting the Planning Authority and after making such enquiry as it may think fit, by notification in the *Official Gazette*,—

(a) appoint an Arbitrator, and thereupon the provisions of this Chapter shall, so far as may be, apply to such draft variation, as if it were a draft scheme submitted to the State Government for sanction;

(b) sanction the variation with or without modifications; or

(c) refuse to sanction the variation.

(7) From the date of the notification sanctioning the variation, with or without modifications, such variation shall take effect as if it were incorporated in the scheme.

92. Power to vary town planning scheme.— Notwithstanding anything contained in section 86, a town planning scheme may at any time be varied by a subsequent scheme made, ¹[published by means of notice] and sanctioned in accordance with this Act:

Provided that, when a scheme is so varied, the provisions of this Chapter shall so far as may be applicable, apply to such variation and making of subsequent scheme; and the date of the declaration of intention of the Planning Authority to vary the scheme shall, for the purposes of sections 69, 70, 97, 98 and 100, be deemed to be the date of declaration of intention to make a scheme referred to in those sections.

93. Apportionment of cost of scheme withdrawn or not sanctioned.— In the event of a town planning scheme being withdrawn or sanction to a final scheme being refused by the State Government, the State Government may direct that the costs of the scheme shall be borne by the Planning Authority or be paid to the Planning Authority by the owners concerned, in such proportion as the State Government may in each case determine.

(e) Proceedings before Arbitrator and Tribunal.

94. Right to appear by recognised agent.— Every party to any proceeding before an Arbitrator or the Tribunal of Appeal shall be entitled to appear either in person or by his agent authorised in writing in that behalf.

95. (f) Joint development plans and joint town planning schemes.

96. Joint development plans and joint town planning schemes.— (1) When the State Government or two or more Planning Authorities are of opinion that the interests of contiguous areas within the jurisdiction of such Planning Authorities can best be served by the making of a joint development plan or a joint town planning scheme, the State Government shall after necessary enquiry constitute a Special Planning Authority as provided in section 40.

(2) Such Special Planning Authority, when duly constituted, shall make a declaration of the intention to make a joint development plan or a joint town planning scheme in respect of the contiguous areas in the manner provided in section 23 or section 60, as the case may be, and thereafter, the Special Planning Authority shall have all the powers and be liable to all the duties of a Planning Authority under this Act and all the foregoing provisions of this Act in respect of the procedure to be followed in preparing, publishing and submitting a development plan, or, as the case may be, a town planning scheme for sanction of the State Government shall apply so far as may be applicable.

(3) The joint development plan or the joint town planning scheme shall specify the parts of the joint development plan or the joint town planning scheme to be executed by the several Planning Authorities in the several contiguous areas, and the several parts of the joint development plan or joint town planning scheme shall, when the joint development plan or the joint town planning scheme is sanctioned by the State Government under section 31 or 86, as the case may be, have effect in the several contiguous areas as if they are separate development plans or town planning schemes:

¹ These words were substituted for the words “published” by Mah. 6 of 1976, s. 29.

Provided that, a joint development plan, or a joint town planning scheme may be executed partly or wholly by the two or more Planning Authorities concerned jointly as they may decide in this behalf.

(g) *Finance of Schemes.*

97. Cost of scheme.— (1) The cost of a town planning scheme shall include,—

(a) all sums payable by a Planning Authority under the provisions of this Act which are not specifically excluded from the costs of the scheme;

¹[(b) all sums spent or estimated to be spent by a Planning Authority with reference to the period during which the preliminary scheme is to be implemented, after it is sanctioned under section 86;]

(c) all sums payable as compensation for land reserved or allotted for any public purpose or purpose of a Planning Authority which is solely beneficial to the owners or residents within the area of the scheme;

(d) such portion of the sums payable as compensation for land reserved or allotted for any public purpose or purpose of the Planning Authority which is beneficial partly to the owners or residents within the area of the scheme and partly to the general public, as is attributable to the benefit accruing to the owner or residents within the area of the scheme from such reservation or allotment;

(e) all legal expenses incurred by the Planning Authority in the making and in the execution of the scheme;

(f) the amount by which the total of the values of the original plots exceeds the total of the values of the plots included in the final scheme, each of such plots being estimated at its market value at the date of declaration of intention to make a scheme, with all the buildings and works thereon at that date and without reference to improvements contemplated in the scheme other than improvements due to the alteration of its boundaries.

²[(g) twenty per cent. of the amount of the cost of the infrastructure provided in the area adjacent to the area of the scheme as is necessary for the purpose of and incidental to the scheme.]

(2) If in any case the total of the values of the plots included in the final scheme exceeds the total of the value of the original plots, each of such plots being estimated in the manner provided in clause (f) of sub-section (1), then the amount of such excess shall be deducted in arriving at the costs of the scheme as defined in sub-section (1).

98. Calculation of increment.— For the purposes of this Act, the increment shall be deemed to be the amount by which at the date of the declaration of intention to make a scheme, the market value of any plot with reference to the improvements contemplated in the scheme on the assumption that the scheme has been completed would exceed on the same date the market value of the same plot estimated without reference to such improvements:

Provided that, in estimating such values, the value of buildings or other works erected or in the course of erection on such plot shall not be taken into consideration.

99. Contribution towards cost of scheme.— (1) The cost of the scheme shall be met wholly or in part by a contribution to be levied by the Planning Authority on each final plot included in the final scheme calculated in proportion to the increment which is estimated to accrue in respect of such plot by the Arbitrator:

Provided that—

(i) no such contribution shall exceed half the increment estimated by the Arbitrator to accrue in respect of such final plot, subject to the condition that where the total cost of a scheme exceeded half the total amount of increments, the proportion of such contribution shall not be less than half the increment;

¹ Clause (b) was substituted by Mah. 35 of 2014, s. 15(a), w.e.f. 24-12-2014.

² Clause (g) was added by Mah. 35 of 2014, s. 15(b), w.e.f. 24-12-2014.

(ii) no such contribution shall be levied on a plot used, allotted or reserved, for a public purpose or purpose of the Planning Authority, such plot being solely for the benefit of the owners or residents within the area of the scheme;

(iii) the contribution levied on a plot used, allotted or reserved for a public purpose or purposes of the Planning Authority which is beneficial partly to the owners or residents within the area of the scheme and partly to the general public shall be calculated in the proportion to the benefit estimated to accrue to the general public from such use, allotment or reservation.

(2) The owner of each final plot included in a final scheme shall be primarily liable for the payment of the contribution leviable in respect of such plot.

100. Certain amount to be added to or deducted from contribution leviable from person.—

The amount by which the total value of final plots included in a final scheme with all the buildings and works thereon allotted to the person falls short of or exceeds the total value of the original plots with all the buildings and works thereon of such person shall be deducted from or added to, as the case may be, the contribution leviable from such person, each of such plots being estimated at its market value at the date of the declaration of intention to make a scheme and without reference to improvements contemplated in the scheme other than improvements due to the alteration of its boundaries.

¹[Provided that, in lieu of the amount that qualifies to be deducted from the contribution leviable from a person, the Planning Authority or the Arbitrator may, at the request of such person, grant FSI (Floor Space Index) or TDR (Transferable Development Right) equivalent to the reduction in the area of his original plot resulting from reconstitution.]

101. Transfer of right from original to reconstituted plot or extinction of such right.— Any right in an original plot which in the opinion of the Arbitrator is capable of being transferred wholly or in part, without prejudice to the making of a town planning scheme to a final plot shall be so transferred and any right in an original plot which in the opinion of the Arbitrator is not capable of being so transferred shall be extinguished:

Provided that, an agricultural lease shall not be transferred from an original plot to a final plot without the consent of all the parties to such lease.

(h) Compensation.

102. Compensation in respect of property or right injuriously affected by scheme.— The owner of any property or right which is injuriously affected by the making of a town planning scheme shall, subject to provisions of section 101, if he makes a claim before the Arbitrator within sixty days of the receipt of the notice from the Arbitrator, be entitled to obtain compensation in respect thereof from the Planning Authority or from any person benefited or partly from the Planning Authority and partly from such person as the Arbitrator may in each case determine.

103. Exclusion or limitation of compensation in certain cases.— (1) No compensation shall be payable in respect of any property or private right of any sort which is alleged to be injuriously affected by reason of any provisions contained in the town planning scheme, if under any other law for the time being in force applicable to the area for which such scheme is made, no compensation is payable for such injurious affection.

(2) Property or a private right of any sort shall not be deemed to be injuriously affected by reason of any provision inserted in a town planning scheme which with a view to securing the amenity of the area included in such scheme or any part thereof, imposes any conditions and restrictions in regard to any of the matters specified in clause (b) of section 64.

104. Provision for cases in which amount payable to owner exceeds amount due from him.— If the owner of an original plot is not provided with a final plot in the final scheme or if the contribution to be levied from him under section 100 is less than the total amount to be deducted

¹ The proviso was added by Mah. 35 of 2014, s. 16, w.e.f. 24-12-2014.

therefrom under any of the provisions of this Act, the net amount of his loss shall be payable to him by the Planning Authority in cash or in such other way as may be agreed upon by the parties.

105. Provision for case in which value of developed plot is less than amount payable by owner.— (1) If from any cause the total amount which would be due to a Planning Authority under the provisions of this Act from the owner of a final plot to be included in the final scheme exceeds the value of such plot estimated on the assumption that the scheme has been completed, the Arbitrator shall, at the request of the Planning Authority, direct the owner of such plot to make payment to the Planning Authority of the amount of such excess.

(2) If such owner fails to make such payment within the prescribed period, the Arbitrator shall, if the Planning Authority so requests acquire the original plot of such defaulter and apportion the compensation among the owner and other persons interested in the plot on payment by the Planning Authority of the value of such plot estimated as its market value at the date of the declaration of intention to make a scheme and without reference to improvements contemplated in the scheme ; and thereupon, the plot included in the final scheme shall vest absolutely in the Planning Authority free from all encumbrances but subject to the provisions of this Act:

Provided that, the payment made by the Planning Authority on account of the value of the original plot shall not be included in the costs of the scheme.

106. Payment by adjustment of account.— All payments due to be made to any person by a Planning Authority under this Act shall, as far as possible, be made by an adjustment in such person's account with the Planning Authority in respect of the final plot concerned or of any other plot in which he has an interest, and failing such adjustment shall be paid in cash or in such other way as may be agreed upon by the parties.

107. Payment of net amount due to Planning Authority.— (1) The net amount payable under the provisions of this Act by the owner of a final plot included in a final scheme may at the option of the contributor be paid in one sum or annual instalments not exceeding ten. If the owner elects to pay the amount by instalments, interest at 6 per cent. per annum shall be charged on the net amount payable. If the owner of a plot fails to elect the option on or before the date specified in a notice issued to him in that behalf by the Planning Authority, he shall be deemed to have elected the option of paying contribution by instalments and the interest on the contribution shall be calculated from the date specified in the notice, being the date before which he was required to make an election as aforesaid:

Provided that, where an owner elects to pay the amount in one sum but fails to do so, interest at 6 per cent. per annum shall be payable by him to the Planning Authority from the date specified in the notice to the date of payment.

(2) Where two or more final plots included in a final scheme are in the same ownership, the net amount payable by such owner under the provisions of this Act shall be distributed over his several final plots in proportion to the increment which is estimated to accrue in respect of each final plot unless the owner and the Planning Authority agree to a different method of distribution.

(i) Miscellaneous.

108. Power of Planning Authority to make agreement.— (1) A Planning Authority shall be competent to make any agreement with any person in respect of any matter which is to be provided for in a town planning scheme subject to the power of the State Government to modify or disallow such agreement and unless it is otherwise expressly provided therein, such agreement shall take effect on and after the day on which the town planning scheme comes into force.

(2) Such agreement shall not in any way affect the duties of the Arbitrator as stated in section 72 or the rights of third parties, but it shall be binding on the parties to the agreement, notwithstanding any decision that may be passed by the Arbitrator:

Provided that, if any agreement contains any provisions which are inconsistent with the final scheme as drawn up by the Arbitrator under section 72 or the final scheme as sanctioned by the State Government under section 86 such an agreement shall be void:

Provided further that, if the agreement is modified by the State Government, either party shall have the option of avoiding it if it so elects.

109. Recovery of arrears.— (1) Any sum due to a Planning Authority under this Act, rule or any regulation made thereunder shall be a first charge on the plot on which it is due, subject to the prior payment of land revenue, if any, due to the Government thereon.

(2) Any sum due to the Planning Authority under this Act, rule or any regulation made thereunder which is not paid on demand on the day on which it becomes due or on the day fixed by the Planning Authority, shall be recoverable by the Planning Authority from the defaulter as if they were arrears of land revenue.

(3) If any question arises whether a sum is due to the Planning Authority within the meaning of sub-section (2), it shall be referred to a tribunal constituted by the State Government consisting of one or more persons not connected with the Planning Authority or any authority subordinate to it or with the person by whom the sum is alleged to be payable which the tribunal shall, after making such inquiry at it may deem fit and after giving to the person by whom the sum is alleged to be payable, an opportunity of being heard, decided the question; and the decision of the tribunal thereon shall be final and shall not be called in question in any court or before any other authority.

(4) The procedure to be followed by the tribunal in deciding questions referred to it under sub-section (2) shall be such as may be prescribed by the State Government.

110. Disposal of surplus amount.— Where after completing and meeting all the costs of a scheme as provided in this Act, any amount from the sums paid to the Planning Authority under this Act remains as surplus, the Planning Authority shall, in consultation with the owners of the plots, spend such surplus amount for providing further amenities within the area of the scheme.

111. Execution of works in final scheme by Planning Authority.— (1) A Planning Authority shall complete all the works provided in a final scheme within the period prescribed in the final scheme by the Arbitrator under clause (xvii) of subsection (3) of section 72:
