2. The Director General, DGCI&S, Kolkata has brought to the notice of the Board that the Customs field formations (sea, air and land) are not sending the DTRs as per the revised Customs Classification Codes for all categories of data, i.e, EDI, Non-EDI and Manual . He has also stated that if the data are not received with the revised codes right from April, 03 onwards it may not be possible for them to adopt the new classification for the year 2003-04 .The data processing system of DGCI&S will suffer a serious setback if the data are reported both with the old and new codes.
