13. The list of valid nominations as decided by the returning officer with names entered in English alphabetical order and addresses of the candidates as given in the nomination papers shall be displayed or published on the same day on which the scrutiny of the nomination papers is completed.

14. Any candidate may withdraw his/her candidature by notice in writing signed by him/her and submitted in person, at any time after the presentation of his/her nomination paper but before 05.00 pm on the day following the day on which the valid nominations are published, to the returning officer of the town vending committee. A notice of withdrawal of candidature once given shall be irrevocable.

15. Where the number of candidates whose nomination papers have been declared valid, does not exceed, the number of candidates to be elected, the returning officer shall announced the names of all such candidates and declare them to have been duly elected to the town vending committee after the closing hour of the day of withdrawal of candidatures fixed under clause 14 above. Where the number of candidate whose nominations are valid exceeds the number to be elected, the returning officer shall arrange for conducting a poll soon on the date fixed for the purpose. The returning officer may appoint one or more polling officers as may be necessary for conducting the poll. The ballot paper to be used for the election shall be as prescribed in Form-II.

16. The local Authority shall provide the returning officer with ballot boxes, ballot papers, copy of list of street vendors or voters and such other articles as may be necessary for the conduct of election. The ballot box shall be designed in such a way that ballot papers can be inserted therein but cannot be taken out there from without the boxes being unlocked. A candidate contesting the election may, by a letter to the returning officer, appoint an agent to represent him/her for both the places where polling is held to identify the voters and to watch the recording of votes. Such letter shall contain the consent in writing of the agent concerned in Form-III.

17. The Canvassing for votes by any person at the place where election is to be conducted shall be prohibited.

18. Immediately before the commencement of the poll, the returning officer shall show the empty ballot box to such persons as may be present at the time and shall then lock it up and fix his/her seal. The candidate or his/her agent may also affix his/her own seal, if he/she so desires.

19. Every street vendor or voter who desires to exercise his/her right to vote shall be supplied with a ballot paper containing the names of contesting candidates arranged in the English Alphabetic order either printed, type written or cyclostyled, according to convenience, on the ballot paper. The ballot paper shall also bear the seal of the town vending committee and also the initials of the returning officer, and further contain a column, for the voter to inscribe a mark [x] against the names of persons to whom he/she wants to vote.
20. Each polling station and where there is more than one polling booth at a station, each such booth shall contain a separate compartment in which the street vendor or voters can record their votes in secrecy.

21. No ballot paper shall be issued to a street vendor or voter unless the polling officer is satisfied that the street vendor or voter concerned is the same person as noted in the list furnished to him/her. On receipt of such ballot paper the street vendor or voter shall proceed to the polling compartment set apart for the purpose and indicate the person or persons in whose favor he/she exercises his/her vote by inscribing a mark [x] against the names of the candidate or candidates, as the case may be, and drop the ballot paper in the ballot box kept for the purpose with utmost secrecy. If owing to blindness or other physical infirmity or illiteracy, the street vendor or voter is unable to inscribe the mark on the ballot paper, the polling officer and where no such polling officer is appointed, the returning officer shall ascertain from him/her the candidate or candidates in whose favor he/she desired to vote, inscribe the mark [x] on his/her behalf and drop he/she ballot paper in the ballot box.

22. 24. The counting of votes shall take place immediately after closure of the poll. If this is not possible, the ballot box shall be sealed with the seal of the returning officer and the contesting candidates or their agents, if they so desire, and deposit such ballot box with the local authority for custody. The returning officer shall then announce the next day of counting. The votes shall be counted by or under the supervision of the returning officer. Each candidate and his/her authorized agent shall have a right to be present at the time of counting. But absence of any candidate or his/her agent at the time of counting shall not vitiate the counting and the announcement of results by the returning officer. The number of votes secured by each candidate and the result of the election shall be announced by the returning officer as soon as the counting is over.

25. The result of the elections shall also be recorded in the minute book of the town vending committee and attested by the returning officer and shall also be notified immediately on the notice board of the town vending committee.

26. In case of equal number of votes, the returning officer shall declare the election result by tossing a coin.

27. The ballot paper shall be rejected by the returning officer if:

(i) it bears any mark by which the street vendor's vote can be identified,

(ii) it does not bear the seal of the town vending committee or the initials of the returning officer,

(iii) the mark indicating the vote thereon is placed in such a manner as to make it doubtful to which candidate the vote has been cast, and

(iv) is so damaged or mutilated that its identity as a genuine ballot paper cannot be established.

28. After the result of election has been announced, the result of the election and a report thereon shall be communicated to the local authority as well as to the State Government by the returning officer, within three days from the date of declaration of the result.
